2022 Fall Move-In Schedule

Fall move-in day is arriving soon! We are excited for your return! To better serve you, The Woods has scheduled move-in dates before your lease begins. The schedule below has your apartment's scheduled date for check-in and key pick-up.

Check-in and key pick-up will be located *outside* in the Woods courtyard near the front entrance to the Woods. Please park inside the Woods complex upon arrival, the parking gates will be open. The check-in process will also consist of signing for receipt of the Woods Policy Book and receiving move-in inspection forms to be returned to our office within 24 hours. **Please coordinate with all your roommates to arrive around the same time, if possible**, as the first person to pick up keys for the apartment will receive the Common Area Apartment Inspection Checklist. As expected, the Woods will be FULL again this year! So please check the housing icon on your MyMillikin account for any roommate updates. ***Prior to arrival, students will be required to watch an orientation video. This video will be sent to all residents and posted on The Woods Facebook, Instagram and website no later than August 5, 2022.***

Can't make your assigned date? No Problem! You can check in on August 19, 2022, from 9:00 AM – 4:00 PM. Remember, your lease does **NOT begin until Friday, August 19, 2022**, however as a courtesy we are allowing apartments to move-in a few days early!

Very Important: Your account must have a zero-dollar balance. If there is an outstanding balance due to the Security Deposit or missing Guaranty Forms (co-signer), it will delay your move-in experience.

We look forward to seeing you!
